MEMORANDUM FOR: Chief, Photographic Services Branch/NPIC

Dear Jack,

Your exhibit on the [] currently being shown in the exhibit hall in Headquarters Building has been a very interesting addition to the current displays there. It was especially fortunate that it could be shown during the course of the last two open house programs which the Agency has been conducting for the wives of Agency employees. You are indeed a talented photographer, and your work is admired and appreciated by Agency viewers, including myself. [] has passed along to me the many favorable comments he has heard.

With kindest regards.
